JUNE 17th – 20th : BETTY'S BRAVO WEEK!

This week is an opportunity for us to brag a little about our wonderful students!
We will be presenting awards to our dancers at our Awards Receptions, but we would also like to announce some special accomplishments that our dancers have throughout the year. Please fill out the BRAVO form emailed to you with a few things that we can announce and celebrate at the reception. These do not need to be dance related accomplishments, but if course can be!
We just want to take time to let our dancers know how important they are to us and how proud we are to see them do things that make them happy and proud of themselves.
